Dear Mr. Hedberg:

This letter is in response to your letter dated November 12, 2003, regarding the Second Request-Five Year Review of Reclamation Surety Estimate.

Staker & Parson Companies is asking that we be given till February 15, 2004 to get the information to you that you have requested. We are currently getting a bid on getting an aerial/topo flown for the property. It has been our experience that it takes a few months to have an aerial photograph taken during the winter months.

We appreciate your patience. Please notify me if you have any further questions.

Sincerely,

Staker & Parson Companies
